

**OUTCOMES: Subcommittee No. 3: Monday, April 21**

*(Please note that this OUTCOMES Sheet corresponds with the Agenda for the hearing.)*

**ACTION ITEMS FOR CONSENT—Spring Finance Letters (Items 1 Through 3)**

- **Action:** Adopted Consent Calendar (Pages 2 through 3).
- **Vote:** 4-1 (McClintock)

**1. AIDS Drug Assistance Program (ADAP)**

- **Action:** Expressed concerns with the Copay and requested the DHS to report back *at* May Revision regarding increased federal funds, potential for more drug rebates, and ideas on other cost containment options. *HELD OPEN pending information.*

**2. Limitation of Serostim (Medi-Cal Program)**

- **Action:** Requested the DHS to report back *prior* to May Revision on whether this new approach will result in more savings. *HELD OPEN pending information.*

**3. Governor's Proposed Public Health Realignment (Page 9)**

- **Action:** Reversed the Governor's proposed realignment proposal for all of the public health items contained in the proposal.
- **Vote:** 5-0

**4. Administration of the Rural Health Clinic Program, and Seasonal, Agricultural Migratory Workers Clinic Program—Contracts (Page 12)**

- **Action:** Adopted trailer bill language to enable the DHS to provide grants for a minimum of three years effective with grants that were in place beginning with the 2002-03 fiscal year.
- **Vote:** 3-2 (McPherson and McClintock)

**5. Child Health Disability Prevention Program and the Gateway—(Page 13 )**

- **Action:** Directed Subcommittee staff to try to identify funding of \$785,000 (\$196,000 General Fund) for the newborn enrollment as described in the agenda. *Held Open, pending information.*

**6. Genetically Handicapped Persons Program (GHPP)—Local Assistance & State Administration (See Hand Out) (Page 15)**

- **Action:** **(1) Directed** the DHS, Subcommittee staff, and interested parties to continue work on the blood rebate language and that we will bring it back to the Subcommittee *prior* to May Revision (*Held Open, pending information*); **(2) Deleted** the language regarding the broad authority to contract out (subparagraph a); **(3) Deleted** the \$100,000 (\$61,000 GF) for the consultant services contract; **(4)** Tentatively approved the requested three positions, pending receipt of the May Revision; and **(5)** Held open the 15 percent rate reduction pending receipt of May Revision.
- **Vote:** 3-2 (McPherson and McClintock)

**7. California Children’s Services Program—Administration’s Proposals (Page 20)**

- **Action:** **(1) Directed** the DHS, Subcommittee staff, and interested parties to continue work on the blood rebate language and that we will bring it back to the Subcommittee *prior* to May Revision (*Held Open, pending information*); **(2) Deleted** the language regarding the broad authority to contract out (subparagraph a); **(3) Redirected** an AGPA position within CCS to analyze product utilization and related functions; **(4) Deleted** the requested funds for the other AGPA and Associate Information Systems Analyst positions; **(5)** Tentatively approved the remaining three positions pending receipt of May Revision; and **(6)** Held open the 15 percent rate reduction pending receipt of May Revision.
- **Vote:** 3-2 (McPherson and McClintock)

**8. Update on the Nine West Settlement Agreement & the Administration’s Proposal on Gynecologic Cancer Information (Page 23)**

- **Action:** Appropriated \$192,00 in special funds from the New West Settlement to the Gynecological Cancer Information Program. (*Since the Administration rescinded their trailer bill legislation which would have deleted the program, no action was necessary on this aspect (i.e., the statute for the program remains unchanged).*)
- **Vote:** 3-2 (McPherson and McClintock)

**9. Richmond Laboratory Information Technology Support (Page 24)**

- **Action:** Deleted the proposal and all funding at the request of the Administration due to a change in scheduling for implementation.
- **Vote:** 5-0
